Repair Guide Overview

How to request a repair

Step 1. Take two photo's of the damage, one focused on the damage and the other image depicting the full side of the affected area

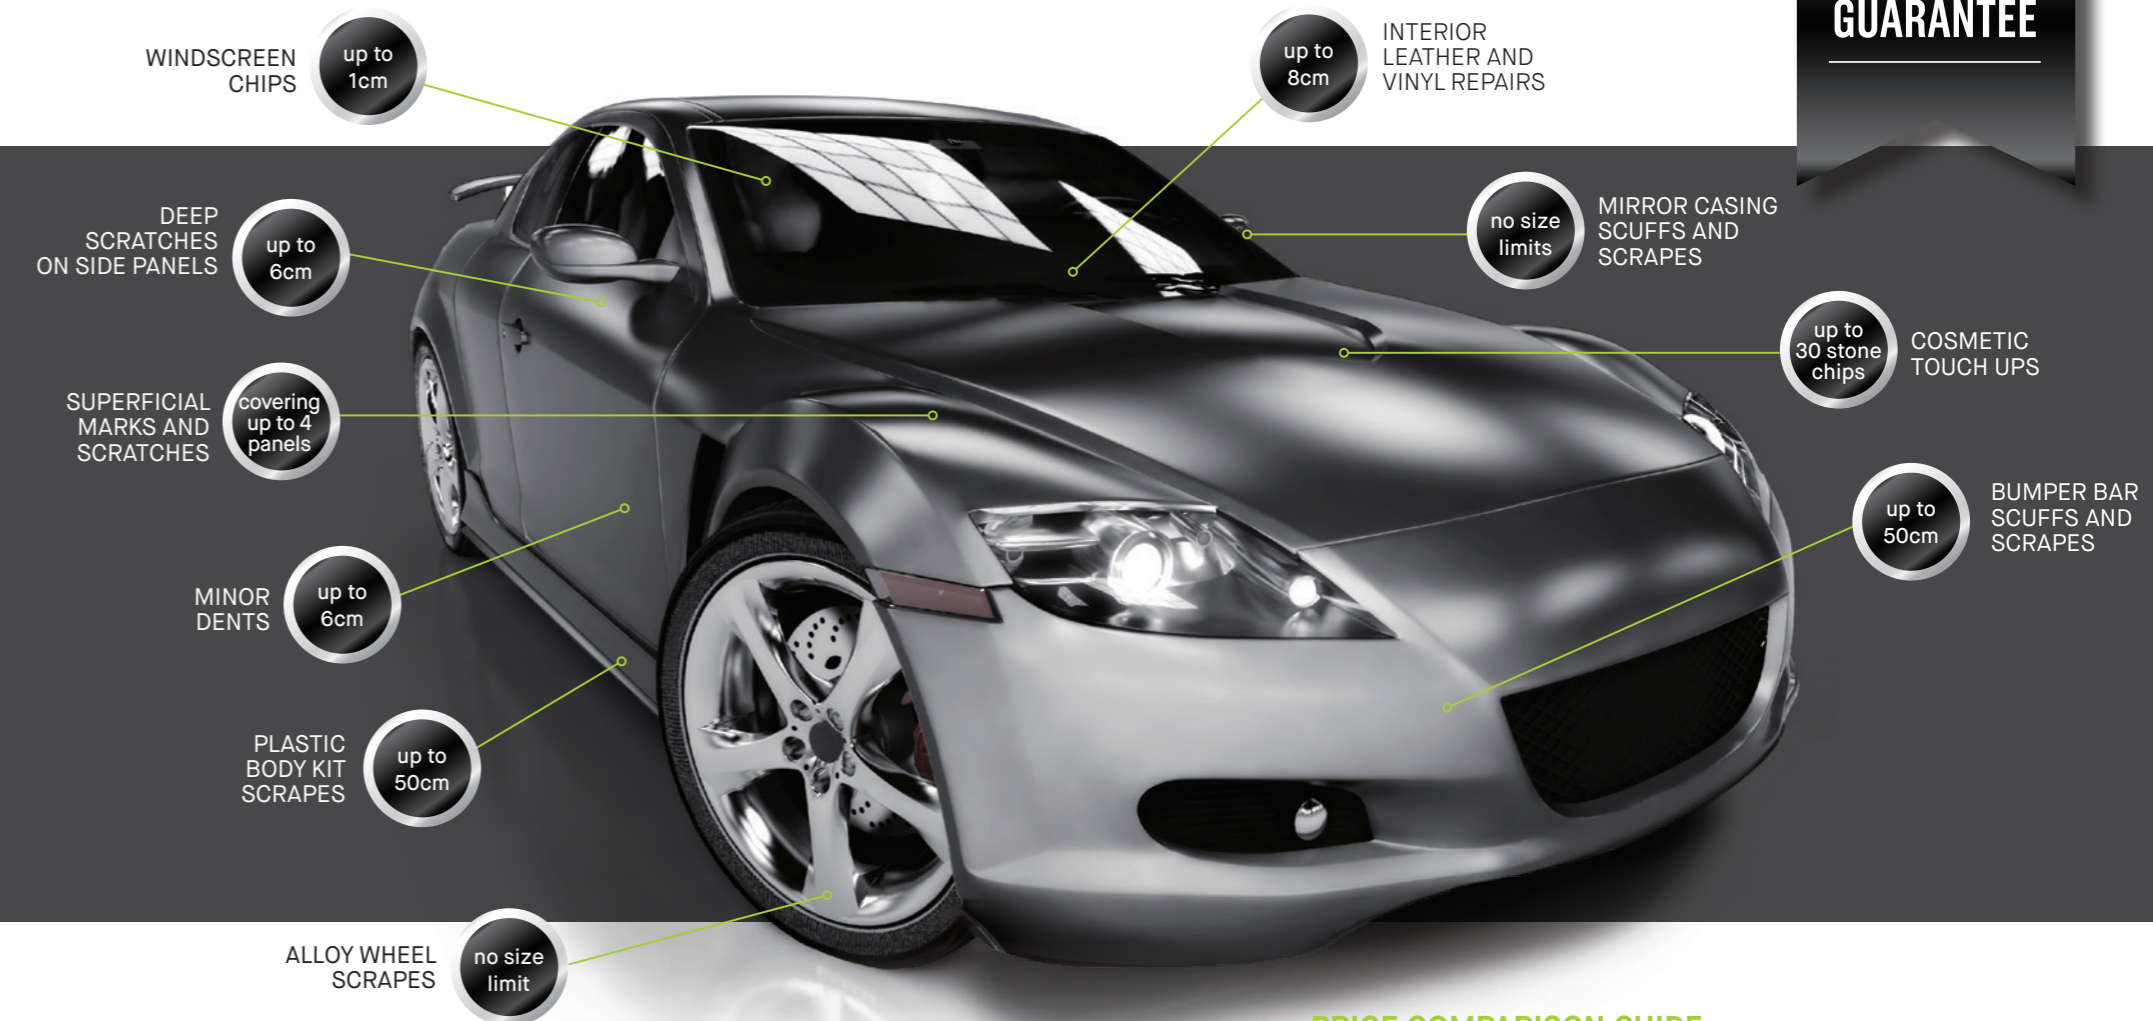

Step 2. Send it to: repairs@autoxcarcare.com.au

Step 3. An AutoXCarCare representative will contact you to make an appointment

OUR TECHNICIANS

Highly qualified and experienced with all training undertaken in-house by our Vale Accredited PDR Master Craftsman and specialist Paint & Panel Trainers. Our experienced technicians will colour match your existing paint using only the best paint and techniques on the market.

KEY EXCLUSIONS

- Structural damage
- Horizontal panels such as bonnets roofs or boot lids
- Non-painted textured plastic surfaces
